**Purpose of the proposal and its anticipated effects, including any changes in existing rules:**

Under HB 2452 (2012), laws relating to the procurement of goods and services were reorganized and recodified into a new chapter in Title 39 RCW. The processes for procurement of personal services contracts, or services, were combined with the processes for procurement of goods.

As a direct result of the passage of HB 2452, sections of chapters 200-300 and 200-310 are invalid or are no longer relevant. This rule change consolidates and aligns the remaining sections with current law and procurement policy.

**Reasons supporting proposal:**

This rule-making change is necessary to align state purchasing rules with current law
